These changes were made largely for consistency of form, to correct typographical errors, or to add clarity or continuity to the existing list. The Acronym/Abbreviation list was also reviewed and several corrections made. It was decided that acronyms or abbreviations of component organizations of the Community and of DCI Committees would be included on this list.

2. The Group reviewed the "OPP Proposed Definitions" down through National Foreign Intelligence Program, whence it will continue at the next meeting. Those terms not adopted as written or modified include:

- Acoustical Intelligence--sent to NSA for technical clarification and compatibility with ACINT.
- Advisory Tasking--sent back to ICS/OPP for development with DCI collection committees.
- DCID 1/2 Attachment--sent back to ICS/OPP for expansion.
